

North Cross was founded in 1941 with the belief that **a classroom is a concept, not a room.** Here, teachers are inspired and empowered to create lessons, not follow them. Children strive to be *their* best, not someone else's.

Expect more. We do.

With programs designed to engage, support, question and surprise, every North Cross graduate is a product of our ceaseless evaluation of what works—and, a commitment to embracing what's next.

More happens here.
